In the Matter of:

APPLICATION FOR REHEARING OR)
RECONSIDERATION BY MARION COUNTY) CASE NO. 7901
WATER DISTRICT)

O R D E R

On December 9, 1980, Marion County Water District (hereinafter Applicant or Marion County) filed an application with this Commission requesting a rehearing or reconsideration of certain aspects of the Commission's Order entered in Case No. 7901 on November 21, 1980. In support of the Application for rehearing, Applicant submitted the following items:

I. The Order unreasonably and unlawfully "reduced" the increased cost of purchased water by \$6,921.

II. The Order unreasonably and unlawfully "reduced" depreciation expense by \$19,736 and in so doing could possibly cause Applicant to violate its Revenue Bond Ordinance.

III. The Order's treatment of Items I and II results in discrimination, confiscation, and failure to afford procedural due process of law and denial of substantive due process.

Findings In This Matter

The Commission, after further consideration of this matter and being fully advised, is of the opinion and so finds:

That Applicant's petition for rehearing presents no evidence to affect the decision rendered in the Commission's Order of November 21, 1980.

IT IS THEREFORE ORDERED that the petition for rehearing filed by Marion County Water District is hereby denied.

Done at Frankfort, Kentucky, this 24th day of December, 1980.
